**RE: CUPE 2153 HOLIDAY STOCKING TOY DRIVE**

---

Sisters, Brothers, Friends,

On behalf of CUPE Manitoba, please see the attached request for CUPE Local support for a Local 2153 Holiday Toy Drive taking place over the holiday season. CUPE Manitoba has been a long-standing partner with Local 2153 to support this important event supporting children and youth in Manitoba who are brought into care during the holidays.

Please consider joining our efforts in making a contribution of unwrapped toys and/or a donation to the initiative. To kick off the donation drive, the CUPE Manitoba Executive Board has donated \$500 towards the purchase of toys!

We share our solidarity and thanks to Local 2153 for the initiative to support those in need this holiday season. Please see the attached poster for further information and to direct your donation(s).

Thank you all for your solidarity and support.

In Solidarity,
