

# PLEASE JOIN US FOR THE **TRANSGENDER FLAG RAISING** AT THE UNION CENTRE

We are raising this flag on the first day of **Transgender Awareness Week**, which is a celebration of trans and gender diverse lives leading up to the **Transgender Day of Remembrance on November 20th**, which memorializes victims of transphobic violence.

**Wednesday,  
November 13th  
9:30 AM  
Front Lobby**

**We hope to see you there in solidarity and to help raise awareness and visibility. These types of solidarity actions help to educate union members and to resist attacks that can divide us.**
