THANK YOU FOR BEING OUR PARTNERS IN SOCIAL CHANGE

Each year, union gifts are a critical show of solidarity and support for our city. You are a vital part of this united way of working, and we are grateful for our continued partnership. We are stronger together because of our shared values of making sure Winnipeggers are cared for in times of need and believing that a better community is built not just with words—but with action.

“The Labour movement has always been about collective action for social justice. We advocate for it in the workplace, we fight and raise our voices politically and we collaborate and advance it through United Way and United Way-supported organizations that build capacity, advocate, and raise the bar for working families.”

Kevin Rebeck, President, Manitoba Federation of Labour
